Tennis is for You!

Tennis combines strength, power, speed, mobility, endurance, and mental toughness in sport that you can play your entire life, anywhere in the world!

At Osseo Senior High we emphasize fun and focused effort while you learn and improve your game. We are looking for future tennis stand-outs and we want you to start playing for the Orioles Tennis while in 7th and 8th grades!

Any questions, please contact Coach Eric Ruska at ruskae@district279.org or Coach Brian Rusche at tennis@brianrusche.com. Bring a friend and see you at the meeting on May 17th!
